The Mentor Program and Communities of Practice are on hiatus and will return. About one live webinar a month, free to members. A non-member could pay up to \$1,000 a year for the same series.

Setting up a corporate group

Company	The full company name and mailing address
Officer	One officer of the company as the listed contact: name, email address and phone number
Billing	The billing contact: name, email address and phone number
Members	The name and email address of each person to be included in the group
Conference	Optional: the number of I4PL Conference 2026 seats needed (minimum 4)

How it works

- We create your company's group portal and send an access link to your officer or billing contact.
- Your contact signs in and verifies the company and member details.
- The system issues one invoice for the group, with a secure payment link, due on receipt. Conference seats, when requested, are on the same invoice.
- Each membership runs for one year and starts once the invoice is paid.
